MUSO MEANS MORE

Korean Grade Mechanics conspire with unexpected power and scale to deliver a King-Size Grunt Monster.

Designed with a generous double cab body style and large tray, the Musso carries passengers and cargo comfortably and securely. Featuring both a powerful towing capacity and one of the largest cabin interiors in its class, the Musso's spacious design hits the sweet spot between functionality, practicality and performance.

MUSO

POWER. PERFORMANCE. PANACHE.

Musso is tough, but not rough. This beast of a ute delivers uncompromised power inside a comfortable and spacious body design.

The Musso has an impressive towing capacity of 3.5 tonnes and offers options for tray lengths of 1.3m or 1.61m. Its four-wheel-drive system optimally distributes power between the front and rear wheels based on road and driving conditions, ensuring maximum traction and safety. Additionally, an enhanced engine design improves efficiency compared to previous models, maximising both fuel economy and acceleration.

MUSO

FEATURES

COMFORTABLE. CLEVER. CAPABLE.

The Musso might be a powerful work vehicle, but that hasn't stopped us from adding features you'd normally expect to find on a premium passenger car. Equipped with Bluetooth connectivity, convenient push-button start, and two smart keys.

Higher spec models feature accessible steering wheel controls, and a vibrant 12.3" digital dashboard display for precise and reliable information at a glance. Apple CarPlay® and Android Auto™ for seamless connectivity. As well as a dual zone climate control system to ensure personalised comfort for all passengers.

POWER. PERFORMANCE. PLAY.

Musso is designed to cater to a demanding work-life balance with effortless fluidity. With the heart and body of a powerful ute and the modern comfort of its spacious cabin, both work and home life's most demanding tasks are handled with care and strength.

Whether you're out in the paddock, parked at the sidelines or heading to the beach, the Musso delivers comfort wherever the weekend takes you. And when Monday rolls around, it brings that same ease and capability to your worksite or daily commute.

MUSO

PROTECTION. POWERED BY PRECISION.

Drive the Musso and experience safety that goes beyond expectations. Designed with your safety as the top priority, the Musso provides an advanced suite of safety features to keep you and your passengers protected on every journey.

Maintain control with Electronic Stability Control (ESC), which enhances vehicle stability by detecting and reducing loss of traction. Drive with peace of mind knowing the Active Rollover Protection (ARP) actively prevents rollover scenarios by monitoring and adjusting vehicle dynamics. Tackle steep descents effortlessly with Hill Descent Control (HDC).

The Musso Grand Adventure takes safety and convenience to the next level with Lane Change Warning (LCW), Rear Cross Traffic Warning (RCTW), Blind Spot Detection (BSD), along with front and rear parking sensors.
