KGM® — Driving the Future of Mobility

Fuelled by the legacy of SsangYong, KGM represents a bold new era in modern mobility. With a focus on advanced electrification and a commitment to greater mobility for all, we're redefining the journey ahead — smarter, cleaner, and more connected than ever.

KGM. SOUTH KOREAN BORN. FUTURE BOUND.

The first vehicle to proudly take the KGM badge to the New Zealand streets is the TORRES™. The TORRES is the perfect embodiment of everything KGM stands for. A Key Ground-breaking Moment in the future of mobility. Radical refinement. Meticulous mechanics. Audacious spaciousness

TORRES

PERFORMANCE

Wherever your next journey takes you, you'll enjoy the drive with TORRES. Feel the fun driving and control you get from the optimised normal, sport, and winter driving modes with the automatic transmission.

*Accessorised model shown.

TORRES

TECHNOLOGY

Integrated seamlessly into the harmonious and ergonomic interior design, TORRES minimises the use of physical controls while ensuring clear communication, ease of operation, and convenience by presenting information on two separate 12.3-inch displays that are intuitive and easy to use. This dual digital display cluster and infotainment controls are designed to present driving information in a manner that aligns with consumers' preferences. This "wrap-around" style display provides a comprehensive range of data, allowing users to adjust safety, comfort, and technological features easily.

TORRES

What makes the TORRES different from the crowd? Almost everything. In a world of SUV sameness, it is unique. Its interior and exterior design, its comfort and safety, its handling and performance are all exceptional. This is one very sharp and stylish SUV.

DESIGNED FROM THE GROUND UP

For anyone who loves driving, a vehicle is always much more than a means of simply getting from A to B. The TORRES has multiple advanced driver interfaces which use faster, smarter, effortless technology to evolve the way you drive. These intuitive systems also allow you to enjoy maximum comfort at the touch of a screen.

The TORRES delivers impressive fuel economy, torque, safety, and driver feedback. There's even ventilated front seats in the 4WD and EVX variants to make those summer drives even cooler. See, we've thought of everything.

TORRES

DRIVE WITH CONFIDENCE

TORRES is designed to provide peace of mind on every journey - safety is a priority. With a focus on robust construction, including extensive use of high-strength steel, and a full complement of airbags, TORRES provides a confident and secure environment for all occupants. And there is a seatbelt reminder alert for all five seating positions to ensure every journey is safe from the moment the car starts.

Wherever the spirit of adventure takes you, get there and come back safely. By fusing innovative intelligent technology into an original and authentic looking SUV, the KGM TORRES delivers a comprehensive suite of driving assistance features, making it a safe and relaxing car to drive and travel in .

- Lane departure warning
- Lane keeping assist
- High beam assist
- Front vehicle start alert
- Driver attention alert
- Safety distance alert
- Autonomous emergency braking
