STRENGTH. SAFETY. STYLE.

Korean Grade Mechanics conspire with unexpected power and scale to deliver this Korean Glamour Model.

Rexton is a large SUV that represents more in every aspect. More strength. More safety. More luxury. It also offers more towing power, seating, and space.

Styled inside and out with graceful detailing that complements its rugged off-road capability, it offers an intriguing blend of practical raw-power that can carry, pull and plough through mud, while providing premium comfort and impressive performance.

REXTON

SPACIOUS. SMART. SOLID.

KGM's flagship Rexton delivers on all fronts. With space for seven passengers, reliable Diesel power, and 3,500kg braked towing capacity on 4WD models, the Rexton is a solid and dependable beast wrapped in sophisticated technology and elegant design.

REXTON

INTEGRATED. INTELLIGENT. INTUITIVE.

Rexton is equipped with intuitive steering wheel controls, an advanced 12.3" touchscreen infotainment system, providing the driver access to clear and responsive navigation and entertainment through Apple CarPlay®, Android Auto™. The Rexton Ultimate features a 360° camera for easy parking.

COMFORT. CONVENIENCE. CAPABILITY

Experience unexpected spaciousness in the Rexton's generous cabin, with a comfortable and accommodating 7 seat layout, generous boot space allowing room for 4 golf bags, and 3,500kg braked towing capacity on 4WD models for extra cargo.

The Rexton Ultimate combines raw power with superior comfort, including heated and ventilated powered front row seating, with memory function and lumbar support, one-touch windows, a sunroof, and dual-zone climate control. This level of luxury and formidable strength is perfectly complemented by a commanding road presence.

REXTON

SAFE. SECURE. SUPPORTED.

This isn't just a vehicle; it's a fortress on wheels that anticipates hazards and keeps its driver and passengers safe. Top-spec models boast advanced features such as Lane Departure Warning, Autonomous Emergency Braking, and Driver Attention Alert, the Rexton stays vigilant so you can relax. Blind Spot Detection, Lane Change Collision Warning, Rear Cross Traffic Warning, along with front and rear parking sensors ensure you're aware of your surroundings at all times. From its Electronic Parking Brake and Hill Hold Control to High Beam Assist, every aspect of the Rexton is designed with your safety in mind. In this modern SUV, protection isn't just a feature — it's paramount.
